Hi all,  
There are instructions at the bottom of the form:

[http://www2.epa.gov/sites/production/files/2015-08/documents/standardform95\\_4.pdf](http://www2.epa.gov/sites/production/files/2015-08/documents/standardform95_4.pdf)

And this additional note on the webpage:

Please note that a completed form must state a claim for money damages in a "sum certain" amount (that is, a specific amount) claimed for personal injury, death, or injury to or loss of property. In addition, if a sum certain is not specified in Standard Form 95 block 12d, or in accompanying information, a submission cannot be considered a valid presentation of a claim.

If they have any other issues, they can call the toll-free number for assistance: 844-607-9700

Please let me know if you need any additional assistance.

Rebecca - We have a local team working with our business community to complete the SF-95 forms for assistance. However, they have been unable to locate any instructions to go along with the form. Can you please track those down for us?

Thanks!
